

## **Building Association Team (BAT) Objectives**

1. To enlarge and strengthen the communication process on a more person-to-person basis.
2. To improve the individual and collective capabilities of member responsiveness to organizational needs.
3. To promote member involvement in Association activities and ownership in Association goals in order to generate new leaders.
4. To play a supportive role in organizational activities—whether attending Association functions, working on legislative activities, donating to the Political Action Committee or marching on the state capitol.
5. To enlist as many people as possible to help the Association leadership do the best job in representation.
