

Summer Technology Institute

Presented by the AEA Technology Integration Caucus

* Blogs * Discovery OnePlace * Wikis Web 2.0 *
* ActivStudio * Microsoft Office * 21st Century Skills *

Would you like time to learn more about these resources and to plan for using them in your instruction to meet the learning needs of you and your students?

Would you like to earn 3 credit hours for salary advancement or CDE recertification?

Novice, Experienced, Advanced users of technology...

Elementary, Middle School, High School

This Institute is for **YOU!!!**

**BIGGER and better
than last year.**
